

**KIRKBY MALZEARD, LAVERTON AND DALLOWGILL PARISH COUNCIL
GRANTS TO LOCAL ORGANISATIONS 2023 APPLICATION FORM
FOR RETURN BY MONDAY 20.02.2023**

Within the Parish Council budget for this financial year 2022/23, a sum of £5,000* is available for grants to provide financial support to any suitable organisation within the Parish. The Parish Council sees this as a means of helping to sustain local organisations for the benefit of parish residents.

It is however important that such grants are targeted where they are most needed, so please complete this application form in order that the Parish Council can consider the needs of each organisation and allocate funding in the most beneficial manner.

*(*Reduced this year from the annual budget of £6,000 as £1,000 of this was allocated in September 2022 as a start-up grant to the Kirkby Malzeard community bonfire and fireworks held November 5th. The fireworks are expected to be self-financing in future years.)*
