

FREE online Family Crafts course

Are you running out of arts and crafts ideas that you can do with your children or as a family?

Why not join our FREE ONLINE course?

You will have access to your teacher on a weekly basis through Skype, email and Google Classroom as well as the opportunity to show your completed crafts to other families across the County.

Every session you will be given a craft project to complete where instructions and online demonstrations are provided.

Sessions will be every Thursday from the 23rd April to the 21st May from 10am to 11am

Spaces are limited to please reserve your place now

To book and for more information please contact us on 01609780780 or email east.adultlearning@northyorks.gov.uk
