

KIRKBY MALZEARD AND DISTRICT FLOWER AND PRODUCE SHOW

SUNFLOWER COMPETITION

Sadly, the Flower and Produce Show had to be cancelled but we wanted to salvage something from the Schedule and went ahead with the Sunflower competition, open to all ages this year. We are very grateful to everyone who supported the event by entering and we were particularly delighted that a number of children had sown seeds during lockdown and we were able to see the results of their efforts and the care they had taken in watering and nurturing their plants. In fact, the winners of the tallest sunflower competition were Skylah and Talia from Grewelthorpe. A number of their seeds had germinated but the tallest one measured 2.84m. Well done girls.

Some of the sunflowers had already flowered and were being left for the birds to eat, others had yet to flower but we measured the heads of those that were in still intact and the biggest sunflower head, at 220mm across, was grown by Andrea Widdowson. Congratulations.

Other entries in the tallest sunflower category were:

Susan Cooper

2.1m

Jen Hurford

1.55m

Connie and Ronnie 0.73m

Margaret Vasey 1.73m

Malcolm/Christine Brigg 2.4m

Susan Peacock 2.12m

Andrea Widdowson 2.2m

Lily Harrison 1.34m

George and Euphemia 2.12m

Sharon Wood

1.72m

Izzy and Matthew 1.96m

The winners of the tallest sunflower and the sunflower with the largest head each receive a £10 garden voucher. All other entries made by children have been awarded a £5 voucher so they can visit a garden centre and buy seeds for next years Show.
